### Explanatory Note

Knightscope, Inc. (the "Company") is filing this amendment to its Annual Report on Form 1-K ("Amendment") to amend its previously filed Annual Report on Form 1-K for the fiscal year ended December 31, 2019 (the "Original 1-K") to insert the following explanatory note, which was omitted in the Original 1-K. Except as described below, this Amendment does not modify or update disclosures in the Original 1-K. Information not affected by this Amendment remains unchanged and reflects the disclosures made at the time the Original 1-K was filed. This Amendment should be read in conjunction with the Original 1-K and with our filings with the SEC subsequent to the Original 1-K.

On April 29, 2020, the Company filed a Current Report on Form 1-U in which the Company stated that it would not be able to meet the filing deadline of April 29, 2020, for the its annual report on Form 1-K for the year ended December 31, 2019 due to circumstances related to COVID-19. As a result, the Company took advantage of relief afforded under Rule 257(f) of the Securities Act to file the Original 1-K as soon as possible prior to June 13, 2020. The Company was not able to complete its audit on time as a result of the shelter-in-place order in the State of California. On March 8th, the Company proactively issued a shelter-in-place order to its employees ahead of the local and state governments' issuance of the same on March 16th and March 19th, respectively. The government re-issued its shelter-in-place order in April to extend until at least May 31, 2020. As a result, progress on the audit was significantly delayed.

---
